#### LEAP YEAR DANCE.

One of the most delightful dances ever held in the city was the Leap Year hop last night at McBurney's Hall. The occasion was a german given by a number of society ladies of the city in honor of the members of the Alexandria German Club. The committee having the dance in charge, which was composed of Miss Georgie French and Miss Mary Phillips, deserve much praise and credit for the able manner in which the affair was arranged and conducted. An amusing feature of the dance was the filling out of the gentlemen's cards by the ladies. During the intermission supper was served to the gentlemen by the ladies and they proved equal to the occasion. The chaperons were Mrs. George S. French, Mrs. George A. Mushbach, Mrs. Frances Danenhower, Mrs. Rich ard Gibson, Mrs. E. H. Kemper, Mrs.
A. W. Armstrong, Mrs. Edward S.
Fawcett, Mrs. J. Sidney Douglas, and
Mrs. Lewis S. Scott. The music was furn shed by Schroeder's Orchestra, of

#### THE ELECTRIC LIGHTS.

The Alexandria Electric Company has The Alexandria Electric Company has notified the city authorities that "on January 15th it had completed the change of city are lights from 6-6 ampere to 7-5 ampere and hoped the change would prove satisfactory." Some time last May, Mr. Philander Belta' an electrical expart, by authority of the City Council was engaged by the committee Council was engaged by the committee on streets and committee on light to make an examination of the new electric plant and outside construction, and report on the same. This Mr. Belts did, and as the lamps were not 2,000 candle power, but about twenty per cent less, the electric company has rebated all their bills against the city one-fifth, and promised that just as fast as new lamps could be obtained they would be installed. As the company now informs the authorities that they have replaced all the 85 old lamps with new lamps up to the 2,000 candle power, of course they will be paid the full contract price if the light is up to the standard.

THE PROPOSED NEW TOWN. The effort to incorporate the villages of Del Ray and St. Elmo into a town and seek a corporation under the name of Potomac is meeting with some success, many citizens of these places favoring it while others are opposed. Before any amount of literature is printed the incorporators should know that the name Potomac, if adopted by them, would be turned down by the Postoffice Depart-ment for it would be a duplication of the name in the postoffice guide, as the post-office known heretofore as Quantico has been changed to Potomac and is so published in the official book of the depart-
